

**Attention all parents and grandparents who have a student in college:**

Keep your child, or grandchild connected to his or her Jewish Community. Here is an opportunity to send them a gift that has meaning to their Judaic upbringing. We are starting a new program at Temple Beth El called, "Project College Outreach." You can send one or all of the care packages; it's your choice.

For this year since we have missed the High Holidays, and because Hanukah is during winter break, these holidays will not be offered but will be included next year.

**Package 1:** Celebrate Shabbat: The student will receive battery operated Tea lights to light for Shabbat candles. Holders for the tea lights decorated in their school colors. A bottle of grape juice, a challah cover (also custom decorated) and a custom Kiddush cup all in a decorated Shabbat box. All items that are customized will be done by the children in the Hebrew school \$34.95 (includes shipping to their school) order by November 15th.

**Package 2:** Purim Rocks: This package will include some sweets, homemade hamantashen, a noise maker, and a \$10 visa gift card....\$24.95 (includes shipping) order by February 1st, 2012.

**Package 3:** Passover Experience: A plaque bag, Matzoh, macaroons, and greeting cards from the students \$24.95 (includes shipping) order by March 24th, 2012.

**Package 4:** High Holidays (next Fall): Apples, Jar of Honey, mixed nuts, cards from students, Hershey's kisses, and a journal to record their thoughts.....\$ 34.95 (includes shipping) order by September 2, 2012.

**Package 5:** Happy Hanukah: Electric menorah, gelt, Hanukah window decals, and jelly donut holes....\$34.95 (includes shipping) order by November 10th 2012.

These are all subject to slight changes as well as your suggestions. If you are interested in ordering or have comments, please contact Ellen Levitt - [elgirls@aol.com](mailto:elgirls@aol.com)

I would appreciate all feedback as it is a new concept.
